

January 2014

To Whom it may concern:

It is my pleasure to write this letter of recommendation on behalf of QVSM.

QVSM was hired to provide commercial leads for our roofing company in McAllen Texas. Although we were hesitant to due to being burned by most telemarketing companies making false promises, QVSM is a stand up firm that delivers what you expect and more. We have nearly tripled our annual revenue and now with their help we have grown to be one of the largest roofers in South Texas. Their the secret in our back pocket that we don't like to share. (Shhh) We are not quite sure how they provide us consistently with so many quality appointments but we are not complaining! We use all different types of marketing methods and QVSM's leads are by far the best investment we have made for our company.

I'll be happy to answer any question you may have in relation to our experience with QVSM.

Sincerely,

McAllen Valley Roofing Co.
