Steve,

I would like to personally thank you for all your service and efforts. I have thoroughly enjoyed working with you and your company. QVSM has provided me with quality commercial leads at a fair price that I cannot match anywhere. I have especially always felt comfortable in the fact that you have worked with me to customize my campaign in order to ensure we only get leads that work for our company. This is now the third year we have worked with you and I look forward to working with you and your company many more. I am more than happy to be a reference for you anytime you need and my contact is on this letter should anyone want to call me personally to discuss. Thank you again for all you do and we look forward to a successful 2017.
